A MESSAGE FROM MRS. NETTLESHIP...

At the end of this year, I would like to thank all of our parents and carers for their ongoing support for our schools. As with any new organisation, it grows and develops over time, and I would like to thank you for your loyalty and commitment to our schools.

Over this year, I have had the privilege of getting to know Oakwood and Beechwood better, and have been able to share some wonderful experiences with the children. These have ranged from theatre trips to residential, field gun challenges on the Hoe to TR2 performances, and I am proud to have been able to share their many successes. We are an amazing learning community and our staff work tirelessly to ensure that our children get the very best start in life, whatever their needs, and our children continue to inspire and amaze me with their talents and personalities.

We say goodbye to some phenomenal Year 6s, who, judging from their leavers' performances, are truly destined for great things. I wish them every success as they go to secondary school and their futures.

We have exciting things planned for next year, in which our children will continue to thrive. I hope that you all have a fantastic break and look forward to seeing our children return safe and happy in September.
