Dear Parents and Carers

What beautiful weather we have been having! It has been perfect for all the outdoor activities our children have been involved in this last couple of weeks. We are also very excited that our Year 6s will shortly be going on their London trip.

**The Hobgoblins Theatre group:** This week the children enjoyed two shows from the Hobgoblin Theatre Company, one about the History of Britain, the other about the History of Maths. Both were enjoyed by all the children.

If parents could arrive at 1.15pm, please

### **Science with a Twist**

On Friday 19th June, some of the Year 5 children went to All Saints Academy to take part in 'Science with a Twist'. They explored a variety of cells, using microscopes, and used bunsen burners to see how different foods burn. Ellie Gavin, Sydney Shambrook and Jasmine Jeffery won a medal for doing so well in the cell quiz! The children had a fantastic time!

### **Change of Details**

If you have recently changed address or phone number, please inform the school office.

Many thanks

### **Lateness**

Thank you to those parents who have supported the school in ensuring that their child is ready to come in with their class at 8.55am. At the moment I am texting parents to notify them if their child arrives to school after this time. School legally starts at 8.55am and I will be contacting parents in the next few weeks if their child persistently arrives after this. I know that you value your child's education and thank you for your support.

Mrs Nettleship – Headteacher

### **Win A £10,000 Playground for your School in the Herald.**

Simply collect tokens from the Herald they will appear from 8<sup>th</sup> June to 11<sup>th</sup> July, please pass them into the office.

Many thanks for your continued support.

### **Site Maintenance Manager Report**

The children's playhouse is beyond repair and will be removed over the next few weeks. I'm looking to get the bridge and the umbrella repaired asap. Foundation has received a new metal shed to aid storage and the playground has received new basketball nets. During the summer period there will be a surge in projects, such as a new ramp leading to reception to accommodate buggies etc is just one of many that will help improve the school.

Mr Rusty- Site Manager

### **Star Learners**

Congratulations to all of the star learners for the past two weeks!
