

Piracy and Plymouth: Privateering, Profiting and Policing

What is the difference between pirates, privateers and smugglers?

Pirates and piracy hold an enduring fascination but who were the real life Jack Sparrows and Ann Bonnys - thieving criminals or entrepreneurial privateers?

The public are welcome to this family friendly event on Saturday 12 November where there will be an opportunity to learn more about the role and lives of pirates. Follow an interactive Treasure Island hunt by searching for clues amongst the exhibits and playing games to navigate your way round and find the treasure. Finish your hunt in a Virtual Reality green-room experience to give you a sense of being on a real pirate ship!

This event is open to all and no booking is required.
Pirate fancy dress encouraged but not essential!
