Dear Parents and Carers,

Staying Safe At Weston Mill

During the whole of next week children will be learning about how to keep themselves safe in different ways. This will include how to stay safe on the internet, stranger danger, bullying etc.

On Monday KS2 are having people from Stay Safe Cornwall doing workshops and Thursday Year 2 will be taking part in a workshop run by the SHARE Project which help children to identify how to be safe and what to do when they are scared.

There is a Parent Workshop at 3.15 – 4.00 on Monday where staff from Stay Safe Cornwall will be discussing safety. Please come along.

Buy a Nose!

Comic relief is on 13th March this year. You will be able to buy a 'Nose in a Bag' from Reception and from the PTFA on Fridays after school. The noses will cost £1 each, and there are 9 to collect.

"The objective of Red Nose Day is to raise as much money as possible because the UK Government will double it."

Head Lice

Following a few cases of head lice at school, please check your children's hair regularly and treat accordingly.

Many thanks

Site Managers Report

As you are aware, recently we have experienced extreme cold weather that has made the grounds of School extremely dangerous. I have been gritting the playground daily to alleviate this problem. However, please ensure you take extra care when dropping off your children to school, as we cannot guarantee that all areas have been covered.

Attendance

There has recently been a lot of illness and we will endeavour to look after your child if poorly but please try to make sure they attend. Many thanks
