### ADVANCE NOTICE - SCHOOL MEAL PRICE INCREASE

School meal prices in Plymouth remain amongst the lowest in the region despite a decision by the Board of CATERed Limited to increase the price of a school lunch for the first time in six years.

The new price for a hot, two-course school meal will be £2.10 for primary schools. This means just a 10 pence increase or an additional 50 pence per week for those families who pay for the school lunches with effect from Tuesday 18th April. Can we please remind you that all meals need to be paid for IN ADVANCE via ParentPay.

### Nethercott Farm

There are still some places available on this trip in November. If your child is in Y3/4 please return your slip ASAP or come to the office to get another one.

### Parent Workshop with Vicky

I have a workshop being held here at school on March 29th at 9:15am for parents of children who have SEN. I will have 'Friends and Families' visiting to provide parents with information around support groups and activities, and the additional services they can offer. Parents are required to book onto the workshop by contacting Vicky to confirm a place. The workshop is for parents/carers only, there is no crèche facility provided.

Two Y1 children were picked to go and view the STEM centre, as part of our new link in the MAT, and Sophie D and Finley E were chosen. Well done!
