Friday 20th April 2018

Dear Parents/Carers,

I hope you all had a lovely Easter break. As you have all hopefully seen we have a nice new fence along the pathway from the blue gate. This has also been sanded down as per some comments of sharp areas of wood. Please do not let your children climb on, over or through the fence.

Thank you. Mrs Dinnis.

Congratulations!

We are very pleased to announce that Ms Catherwood is expecting a baby which is due in September. We wish her the best of luck and can't wait to meet him/her.

School Reception

As you will probably have noticed, during the Easter break the door leading into the reception area is now locked, this is a security measure and we will be installing a buzzer/bell shortly for entry should you need to speak to the office staff. Myself and Mrs Down are on the playground most mornings to take any messages.

Thank you for your cooperation.

Important Dates

w/c 14/05	SATs week Y6 - prompt arrival please for all pupils	<div>Dates for your</div>

Uranus	97.8%

Weather

As the sun is starting to shine can you please send your child to school with a named sunhat. Sunglasses however are NOT to be brought in. Suncream should also be applied before they arrive at school.

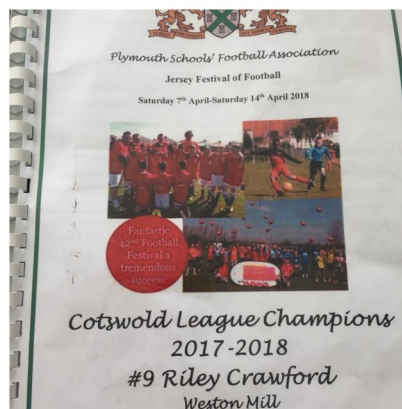

Thank you

Individual Success

Riley has been to jersey for a week with his Plymouth School boys FA football team representing our school. The team came second over the week. They played so well a Manchester United scout has asked if the team will travel up to Manchester to play their under 11s squad. They also had French fans over the week asking for photos!!

WELL DONE

Children's University Passports

On Wednesday 18th April, four of our children attended the Children's University Gold Graduation Ceremony to celebrate the achievement of another 100 hours of after school activity. This is an amazing experience for the children and it allows them to visit and explore Plymouth University and get a taste for what it would be like to graduate from university. We now have over 100 children who have a Children's University Passport. It would be amazing to see more of our children attend these ceremonies, please count your hours regularly so that your child can receive their certificates in our fortnightly celebration assemblies and be placed on our list for the next ceremony. When your child reaches one of the milestones, please hand your passport into reception.

Thank you

Dinner Menus

Your child should have brought home this week the new dinner menu. This now also includes a sandwich option of Ham or Cheese.

Thank you

CATERed

Battery Recycling

Your child has hopefully brought home a box to recycle old batteries. Please return to school when full, to be emptied into our school recycling container. This is all in line with our Eco schools status. Many thanks
