Science Technology Engineering Maths (STEM) Year 4/5 WOW Day

On Wednesday 7th January Year 4/5 had a WOW day based on the Human Body. We went to Plymouth City College STEM Centre, everybody went into a room where we sat on bean bags with 3D glasses and an IPAD. We placed the 3D glasses on and Andy who was guiding us showed us a human heart but in 3D
"IT WAS COOL"!

We had a visit from a Doctor called Dr Dave who also talked about the human body.

Importance Notice Regarding Breakfast Club

We will be changing the access for the Breakfast Club as from Monday 19th January. Rather than using the school gates you will now have to enter via the side (conservatory entrance) at the front of the school from 7.55 am. The reason for this is to improve safety at school for the children.

I would like to remind you that between 8.30 and 8.45 am the responsibility of your child remains with the parent/guardian. Responsibility thereafter will be with the school.

Many thanks
