Newsletter 24th June 2022

Our children have had another busy week and are enjoying learning about their new topics. Some children from Year 6 visited Schneider for a Women in Engineering event alongside children from Oakwood and Beechwood. Next week, we welcome parents to join us for Picasso's class reading session at 2:30pm on Tuesday 28th June and Goldsworth class assembly at 9:15am on Friday 1st July in the school hall.

Over the last few weeks, it has been lovely to have the opportunity to meet with parents and to learn more about the families in our school. It is extremely important that we continue to develop our communication as a school and our place within the local community. Our school Facebook page is regularly updated with information on your child's learning, as well as reminders of class assemblies and key dates. If you aren't currently following us on Facebook, please use the link below to find and like our Facebook page [Weston Mill Community Primary Academy | Facebook](#). We are always looking at ways to improve our communication, and welcome your feedback on how best to share information with you in the future.

I hope you all enjoy the long weekend and we look forward to seeing you on all on Tuesday 28th June 2022.

In PE, Matisse class are learning to throw and catch using tennis balls. This week they used their collaboration skills to play a throwing and catching game in small groups. They then challenged their classmates to a game of hot potato!

Our marathon champions.

Well-done!

Last week, Year 6 went to Medifest at Plymouth Guildhall to enjoy a range of interactive experiments and activities. They particularly enjoyed cleaning a set of teeth with a giant toothbrush, testing how their heartrate increased after exercise and watching Miss Irvine perform a magic trick with an eyeball! Not to forget all the freebies they collected along the way!

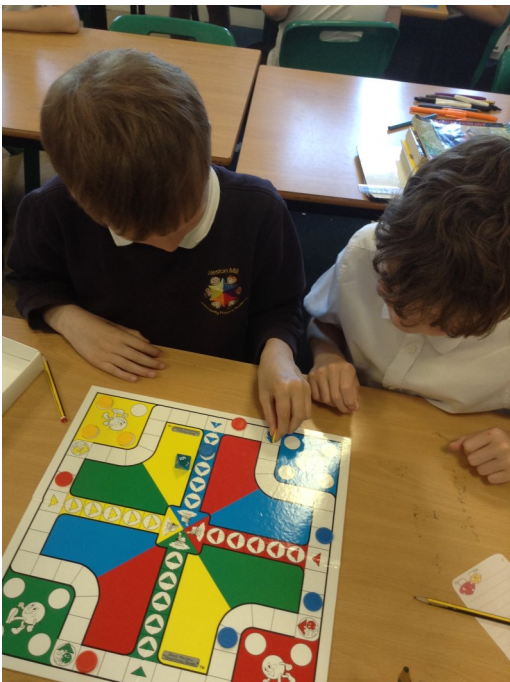

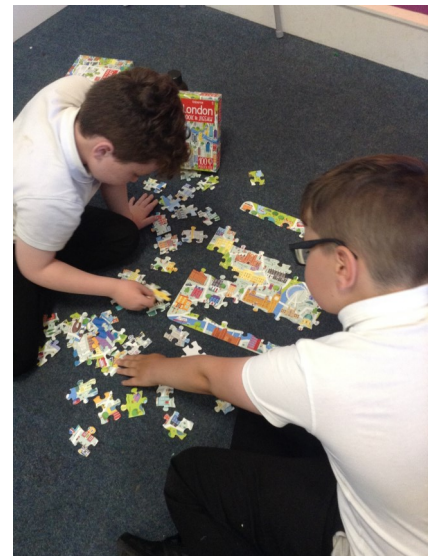

This week Children in Y6 have been exploring language associated with ratio by collaboratively completing word problems. The children worked together using the colours identified in each question to solve each problem.

In Year 5 this week, we have continued to explore Shape within our Maths learning and were super excited to begin researching rainforest animals. This research will support the writing of an information text, which we hope to share with you once complete.

After another busy week (and term so far!), we thought it was important to spend some time considering our mindfulness and collaboratively participated in building puzzles and playing board games. Children thoroughly enjoyed the relaxed environment and were refreshed to continue their learning.

Plymouth Armed Forces Day will be returning on Saturday 25 June 2022, with an exciting day for all the family to enjoy, and celebrate our military and all the great work they do.

Armed Forces Day is a fantastic opportunity for everyone to come along and show their support for the men and women who make up the Armed Forces community from currently serving troops to reservists, veterans, cadets and their families.

**Our MKC Heroes showing their support for Armed Forces Day
#SALUTEOURFORCES**

We have lots of lost property waiting to be reclaimed.

Jumpers, cardigans, coats, lunch boxes and drinks beakers

It's kept just inside the playground door, on the way into reception.

Foundation class assembly (Goldsworthy and Matisse Foundation stage children), next Friday (1st July) at 09.15am for parents. Feel free to join us for a cuppa in the dining hall from 8.55am.

PICASSO CLASS

Tuesday 28th June at 2.15.

Parents are invited to come and read with their children in the library. Please come in through reception.

The school is closed on Monday 27th June due to the additional Jubilee day.

We look forward to seeing the children on Tuesday 28th June.

Have a great long weekend.

Wrong Trouser Day

Children can wear school uniform tops and any trousers they choose to.

**Friday 1st July
for Bristol Children's Hospital.**

Please donate what you can afford to.
