Important message for all parents. Please ensure when walking into the school grounds that all adults and children stick to the main path and do not go up near the Forest School area or Dome until further notice. This is to keep everyone safe at all times.

Thank you.

My job, will be to inform them of how many families would like food each week. I will provide slips at the school reception for families to complete by Wednesday each week. I will also offer families to tick a box if they would like this service every week.

This service is NOT TO PROVIDE FAMILIES A WHOLE WEEKLY FOOD SHOP, BUT MORE OF A BONUS TO LOWER THE COST OF A WEEKLY FOOD SHOP. There is no guarantee of what food is available each week. I have been told often near Christmas, or just after Easter there will be seasonal items, such as Easter eggs and Turkeys.

This service will run every week, there is also a possibility it can also run throughout the summer holidays, however this may be a different collection point.

The food will be delivered to the school every Friday between 2.30 – 3.00pm. The lunch hall will then be open for around 3.00pm, so families that have requested food can collect food. The charity are, asking for a £2.00 charge for each family to cover the cost of delivery. This will need to be collected on the day.

This is an AMAZING service, which not only helps families with food, but it is also reducing food waste and landfill.

This service is **open to all families**, if you would be interested in this, or would like further information please feel free to contact me. Katy Dow Family Support Advisor – 365250.

I am in the process of organising an information morning, where a variety of different services around Plymouth will attend. With the nicer weather now approaching, I am also considering the first Monday of every month, an opportunity for a walk and talk morning. This will be a short walk of an hour around the local area (Ham Woods etc) followed by tea/coffee. If this is something you are interested in, please could you let the office know.

Throughout Plymouth, there will be various events on, hopefully you received the recent Primary times, magazine listing many of these. Activities like decorating pebbles, visiting the newly refurbished Central Park, (amazing children's park) are cheap ways to keep little ones entertained. There are also activities on, throughout Plymouth library's which are often free.
