FSA update

Hello All,

I would just like to inform all parents and families, I have just secured some workshops and courses to run. These include Glass Painting (starting next Friday) for 3 weeks, a family first aid course running from Thursday 15th November for five weeks, with the option of continuing to complete a paediatric accredited first aid course and then to end the winter term off there will be a Christmas Crafts workshop starting on the Monday the 19th of November for 3 weeks. All of the above will run within the school and will be 2 hour sessions starting at 9.30am. I will however have doors open at 9am and provide a free Tea/ Coffee. All courses are FREE, however if you choose to complete the Paediatric First Aid Course there will be a fee of £10 to cover cost of your certificate etc. This does not need to be paid up front, I think this is fantastic value and great for your CV. There will also be a free crèche available for parents with children over the age of 12months.

I truly hope, you try some of these courses/workshops I am sure it will be great fun!! I do need people to register ASAP, if not the courses may have to be cancelled. If you are interested in any of these, have any questions or would like to register please contact the school's office

Information from Mrs Down

The Plymouth Dyslexia Guidance has undergone a thorough review over the past two terms. We are now at the point where we need to take the draft document to families and consult with them. Please find click on the link below if you are interesting in taking part in the discussion.

The consultation is planned for Wednesday 17 October and is being facilitated by PPCV. There are three time slots planned in order to maximise attendance. The link below allows families to book on.
