Dear Parents and Carers

What lovely weather we have been having recently, the children have been out in the playground enjoying it! Your child's school report will be sent home today. It has been wonderful to read about their many achievements and if you would like to discuss their report in more detail, please arrange a suitable time on the 29th April after 3.00pm. After Easter, Year 6 will be having their SAT's. This is an important time for them and I look forward to sharing their successes in the summer. Your continued support in ensuring good attendance and homework is appreciated.

I would like to wish you all a safe and Happy Easter.

Playleader Activities

Hi my name is Mr Chown and I am the new play leader. I have organised lots of activities for the children this term including football, handball, or tennis, with new goals, nets and team colour bibs. There are also new challenges every week; physical, skill or creative, in our new 'creative area' in the solar dome. Top scoring students get rewarded with house points for their house team, with gold medals and a colour t-shirt day for the winning team. Finally, new student play leaders have been chosen to help others in the playground and support play activities. I look forward to seeing everyone after Easter for more fun and games!

The winning team is Blue Lynher.

Change of Details

If you have recently changed address or phone number, please inform the school office.

Many thanks

Spirit of Discovery Finland Trip

Congratulations to Kacey Southworth from Year 5 who has just returned from her trip to Finland. She entered and won the Spirit of Discovery competition.

My Visit by Kacey Southworth

I had a great time going on a plane my ears popped; it took 4 to 5 hours. When we arrived there was snow everywhere, it was about knee high it was so cool. We stayed in cabins and it was amazing when we went to meet the Reindeers, we got to ride on the back of one, we also went sledging. We then went to the school and did English, biology and lunch was very yummy. All Year 4 will have the chance to enter this competition next year so watch this space.

Children's University

Congratulations to the following who have been awarded certificates:

Ruby Cooper – Gold, Silver, Bronze

Tyler Gallagher Silver

Paige Gallagher – Gold

Sophie Gallagher – Gold

These children have all participated in many hours of learning outside the classroom. If any children would like to participate, a passport can be purchased at the school office.

Lateness

Thank you to those parents who have supported the school in ensuring that their child is ready to come in with their class at 8.55am. At the moment I am texting parents to notify them if their child arrives to school after this time. School legally starts at 8.55 and I will be contacting parents in the next few weeks if their child persistently arrives after this. I know that you value your child's education and thank you for your support.

Site Manager Maintenance Report

Dear Parents

This term I have been focusing on Health & Safety, security measures, routines and procedures that effect both pupil and staff. Work has been taking place both inside and out with a new First Aid Post to accommodate medicines and improvements made for a new Scooter Shelter. The chickens are "living a dream" and are now happy being able to sunbathe on their new patio! There has been a change of date regarding the Wave Shelter; works will now commence the w/c 25th May, half-term week for the least disruption possible. A very successful "Waste Week" took place that saw a reduction in daily food waste from 5 to 2 bags.

Thank you for your continued support.

Happy Easter

Site Manager.

School Disco

Friday 17th April

Please ensure that the school disco money is passed to the office by end of the day on Monday 13th April. If any forms/money are received after this date your child will not be able to attend the disco and the money will be returned. Many thanks PTFA

Breakfast Club

This starts at 8am there is no supervision for your children if you leave them unsupervised in the carpark before this

Family Additional Needs Support

This group supports families of children with additional needs either diagnosed or still going through the system. They were honoured enough to win the Pride of Plymouth Community award in December. If you would like further information contact info@fansproject.org.
