Dear Parents and Carers,
 We have had a busy last week of term; well done to the children who took part in the walk to school week! I hope you all enjoy your break and we look forward to seeing you on Monday 6th June.

Walk to School Week

Thank you to everyone who took part in our 'Walk to School' week, last week. Pupils have said that they felt much more awake when coming into school after their walk, which is great news. We are hoping pupils will continue to walk to school as much as possible. The bookmark raffle took place in Monday's assembly and the winners of the family swim pass for Plymouth Life Centre are: Mya Mitchell in Year 2 and Bradley Muttram in Year 5. Well done to them and we hope you enjoy your swim!

Year 6 — City College

Y6 had some student visitors from City College to discuss business with them. They found out about what the students were learning and they had a go at designing their own logos and business ideas. They had a teamwork game to build the tallest tower from spaghetti and balance a marshmallow on top. The winning business idea was to set up a "Dream Theatre", where people could go to act out their dreams with props and professionals in a theatre space. At the end of their experience, they would be given a film of their dream to take home. Such an original idea!

Dentist/Doctors Appointments

Please can I remind parents that these appointments should preferably be booked outside school hours and proof of these appointments will be required by the office for your child's records.

Many thanks for your continued support.

New Chickens

The children enjoyed meeting and learning about our new chickens which staff from Nethercott Farm kindly brought in for us.
