## Newsletter

We celebrate the end of another week in school. We hope that the sunshine returns and remind all parents to ensure, on those sunny days, that sun cream is applied to children prior to coming into school. As a reminder, hats can be brought in for children to wear at breaktimes, and they will be kept within the children's lockers at all other time. We ask that sunglasses are not brought in to be worn please.

As you will have all heard, the recent government announcement has continued with restrictions for another 4 weeks. As a MAT we are keeping all our plans in place until the end of term, as this ensures all our safety and everybody is aware of the times that they should arrive and collect from school for each bubble.

We hope, that following the summer holidays, we will be in a different position, but as you can imagine, we have to follow announcements and guidance from the government and DFE with regards to this. Therefore, please be assured that any information that we get, and plan for, will be sent out to you via Parent pay, which requires you to ensure that this is set up. If you have not activated parent pay (it costs nothing to do), please contact the school office (phone or email) to ensure this is done prior to the end of the term. This way, when emails are sent out, you will be able to review the information.

Many thanks  
Mrs Rachel Dinnis

### ONLINE SAFETY AWARD

We are thrilled to announce that we have received our Online Safety Award here at Weston Mill, and hope with our continued work through our curriculum, that children continue to develop and understand the different elements of the work, not only in the uses of Computing, but how to keep themselves safe as well in this ever-developing technological world. Thanks to Mr Mann (Computing Lead at Weston Mill) and Miss Irvine (MAT Computing Lead at Beechwood) for the work they have put into this.
