

Help your child with

maths

I spy

...make a game of spotting shapes and patterns in real life

Get tools

...make tools like rulers, weighing scales, calculators and measuring tapes easily accessible around the house.

Use games

...encourage games such as card games or board games that involve counting or patterns.

Cook up a storm

...use measuring out ingredients to reinforce maths skills.

Ask questions

...ask questions comparing real life things. Which do you think is... the tallest, the smallest, the heaviest, the longest, the fastest, the most expensive?

Talk about it

...find out what skills are being taught in maths lessons and for homework. Be sure to ask about how answers were worked out!

Go online

...look online and in app stores for appropriate number and problem-solving games.

Out and about

When shopping, count up the shopping and count out change together.

Involve maths in everyday life.

Money, cooking, music, computers, art, construction etc...

any real-life situation!
