Dear Parents and Carers,

Staff news

Some of you may be aware that Mrs Dibben got married over the Easter holidays, she is now Mrs Dinnis and all of the school correspondence will be amended to reflect this is due course.

Congratulations!

Mrs Blakeston is leaving today pending the birth of her baby boy and we wish her all the very best and can't wait to meet him.

Bug Busting!

Could we please ask you all to check your child's hair today for head lice and treat if necessary. We need to do this at least once a month to be able to control this problem. It would also be good if all long hair can please be tied back. Thank you for your co-operation in this matter.

Dogs

Please be reminded that dogs should be secured away from the entrance to the school and not tied to the fence or gate immediately outside the school.

Thank you for your cooperation.

As the warmer weather approaches please ensure that you apply sun cream to your children before they come to school (do not send sun cream in with them) and caps can be worn providing they are worn the correct way and not back to front. If your children choose to wear sun glasses to school please take them home with you for safe keeping and not leave them with them in school.

Thank you for your cooperation.

Outdoor Assembly

We managed to have an outside assembly this week and we were joined by the RNLI. The children and staff all enjoyed the assembly and thanked our guests for sharing their time and knowledge with us.

The children were all well behaved and we look forward to many more outdoor events over the coming months.
