

# Weston Mill Community Primary Academy

## Foundation Autumn Term 1 Curriculum Newsletter

This half term our learning journey will explore: **All about ME!**

Our Big Question is: **What is a community?**

Our Destination will be: **To create a college display which reflects the local community including our family and class.**

What we will be learning: The children will be looking at similarities and differences within their community and the wider world. They will learn that they are an important and special member of the community and ways they can help and show they care.

Trips and Rich Experiences:

We will be having a 'wow' day exploring people who help us and children can come to school dressed as their favourite person from the community or what they want to be when they grow up e.g. firefighter, doctor, vet, shopkeeper and so on.

Key Dates:

Our 'Wow' Day date will be confirmed with you in due course.

How can you support your child at home?

Please support your child to;

- Practise getting dressed and undressed more independently (for PE sessions)
- Writing their name
- Practise listening skills, play games and taking turns sharing toys
- Use a knife and fork to eat their meals
- Know when to ask an adult for help if they are unsure or worried

Things to do	Things to read	Things to watch
