**No Smoking**

Please could we remind parents that smoking is not prohibited on school grounds and this includes e-cigarettes. In addition to this, if the area around the school gates could be kept clear, as the children are trying to enter the school in the morning, as this can become very congested.

**SAFETY**

Please could parents ensure that they do not let their children climb on the wall around the dome and you stick to the main path coming to and going home from school.

**Ankoma Outreach**

Thank you to all staff and children that came and took part in 'soak the staff' in support for Foundation Charity 'Ankoma Outreach.

Thank you to all children and parents that donated. We have so far raised £40 towards building an Early Years School in the Village of Ankoma in Ghana, as this 'soak the teacher' event was so popular, we will be doing it again after school today (Friday).

Thank you for your support. Mrs Potter

Times Tables Rockstars can be accessed on a computer using the web address: <https://trockstars.com/> or the APP can be downloaded on to Apple or Android devices. Your child should already know their login details, if not, they should speak to their class teacher.

### Careers Afternoon

If a parent has a profession that they would be happy to talk to our pupils about please can they contact Mrs Lock, Arizona, Year 1. We are looking for a range of careers, as last year we had a great selection including the emergency services, a chef, an architect and a reporter.
