

- We have decided to set up some battles between KS2 classes and below is a table of when they are happening. All you need to do is log on during this time and start playing any game. The class with the highest average of correct answers will be the winner. Every correct answer in any game type is worth 1 point towards your team's score. In other words, you can play in Garage, Rock Slam, Soundcheck, etc and earn 1 point per correct answer.
- 💰 Don't confuse Battle points with coins! Coins are separate. You still earn 10 coins per correct answer in the Garage, 5 per correct Soundcheck answer and 1 coin per correct answer everywhere else
