Weston Mill Community Primary Academy
Ferndale Road, Weston Mill, Plymouth, Devon
PL2 2EL

Dear Parents/Carers,

We would like to let you know about an exciting project that will be starting the second week of June. We have managed to secure DFE funding to have the school roof replaced.

Initially work will begin at the front of the building. There will be restricted parking due to the scaffolding which will be put up around the whole site. The bulk of the work will be carried out over the Summer holidays and we are hoping to have the work completed by the end of October.

The scaffolding will have safety nets and short tunnels within the construction in compliance with all health and safety regulations. We ask for your support in ensuring your child accesses the school appropriately and safely.

Contractors will engage with the children where possible, showing them drone footage of the roofing work as it progresses.

Yours sincerely

Rachel Dinnis
Head of School
