

# Weston Mill Community Primary Academy

## Nursery Autumn Term | Curriculum Newsletter

This half term our learning journey will explore: **All about ME!**

Our Big Question is: **What is a family?**

Our Destination will be: **To create a mixed media self-portrait.**

### What we will be learning:

The children will be exploring what community means and talking about important people, places and events in the community. They will look at similarities and differences with others and what makes them special.

### Trips and Rich Experiences:

We will be having a 'wow' day exploring people who help us and children can come to school dressed as their favourite person from the community or what they want to be when they grow up e.g. firefighter, doctor, vet, shopkeeper and so on.

### Key Dates:

Our 'Wow' Day date will be confirmed in due course.

### How can you support your child at home?

Please support your child to:

- Learn to take their shoes and socks off and put them back on (for PE sessions)
- Practise listening skills, play games and learning words stop and go
- Use a knife and fork to eat their meals
